Admission to UW-Marinette
Students planning to attend summer courses ONLY at UW-Marinette must submit a special student application. Students planning on continuing their enrollment at UW-Marinette for fall should complete the regular undergraduate admission application and supply all appropriate documents. Admission applications may be obtained from the Student Services office or you may apply online at www.apply.wisconsin.edu.

Transferability of Courses
Courses taken at UW-Marinette or online will transfer to colleges and universities nationwide. For information regarding how courses transfer to UW baccalaureate campuses, visit www.uwsa.edu/tis/ and go to “Credit Transfer Wizards.”

Financial Aid
Six credit hours of summer courses are considered half-time for financial aid purposes. To be considered for financial aid through UW-Marinette, a student must be admitted as a regular (not as a special) student. The student must also have completed and submitted a 2014-15 Free Application for Federal Student Aid (FAFSA) form using 2013 taxes. Students are encouraged to apply online at www.fafsa.gov. If you attend another campus and are enrolling at UW-Marinette just for the summer, contact your campus Financial Aid Office to discuss the possibility of a Consortium Agreement for summer financial aid. For additional information, contact Student Affairs. UW-Marinette’s FA school code: 003897

Questions? Contact Student Affairs at (715) 735-4300, ext. 4301.

UW-Marinette Summer Session 2015
On-Campus Courses

3-Week Session 1: May 26 - June 12

CTA 103 Introduction to Public Speaking
3 credits #1013 5:00-8:30 pm MTWTh M-117 Maurer
Study of the principles and techniques of effective speaking and listening in a variety of selected communication experiences. AP

GEO 130 Human Impact on the Environment
4 credits #1014 8:00-1:00 pm TTh F-108 West
A natural science course describing the alteration of the physical environment with the resulting effects on air, water, soils, vegetation, animal life and humans. Field trip required. Geo 130 meets DPI requirements for environmental education at some UW baccalaureate institutions. NS; $35 course fee.

WOM 210 Women’s Health & Sexuality in Society
3 credits #1015 1:00-4:30 pm MTWTh M-117 Hendrick
This course will offer basic facts about the structure and functioning of the female body; issues in women’s health and sexuality will be approached interdisciplinarily and will include physical, mental, emotional, and social health and wellness topics and will be framed by discussions of race, class, and other cultural identities. Cultural, social, economic and political contexts will be explored. SS/ES

3-Week Session 2: July 13 - July 31

MUS 278 History of Rock and Roll
3 credits #1021 8:30 am-12:00 pm MTWTh T-117 Giebler
A study of Rock and Roll with emphasis on the roots, origins and influential figures in the history of this cultural phenomenon. Includes recorded listening experiences. FA/ES

HES 217 Social Aspects of Sport
3 credits #1020 5:00-8:30 pm MW F-108 Kowalski
A course focusing on sport institutions as social organizations and how they function within a culture or society. Emphasis is placed on group structure and membership, as well as group pressure, socialization, stratification, and deviance as they apply to the sport’s setting. Significant emphasis is placed on the role of minorities in sports. Selected topics include sport and educational institutions, socialization, children, deviance, violence and aggression, gender and equity, race and ethnicity, social class, social mobility and stratification, economy, politics, religion, and the media. SS/ES/IS. Blended - pary online/part in class.

6-Week Session 1: May 26 - July 3

MAT 113 Trigonometry
2 credits #1132 1:00-3:40 pm MTh L-105 Zaidan
Trigonometric functions, their basic properties and graphs, identities, inverse trigonometric functions, solving trigonometric equations, solutions of triangles. Prereq: (a) a grade of C or better in MAT 110 (b) concurrent registration in MAT 110 or (c) placement based on placement test score. MS. Prerequisites: MAT 113 has a prerequisite of (a) a grade of C or better in MAT 110 (b) concurrent registration in MAT 110 or (c) placement based on placement test score. MS $30 course fee.

6-Week Session 2: June 15 - July 25

ENG 102 Critical Writing, Reading & Research
3 credits #1016 1:00-4:30 pm TTh M-108 Learst
A composition course focusing on academic writing, the writing process, and critical reading. Emphasis will be on essays that incorporate readings. Prereq: A grade of C or better in a basic writing course (ENG 097, ENG 098, or LEA 106 when taken as a three-credit course) or exemption through a sufficiently high placement assessment. Core.

MAT 090 Basic Mathematics
3 credits #1017 5:00-8:45 pm TTh M-108 Meisner
Designed for students with minimum algebra background or who have been away from mathematics for several years. Subject areas to be covered include arithmetic of whole numbers, fraction and decimals, ratios and percents, and basic algebraic concepts. Prepares the student for Elementary Algebra. $65 course fee. Non-degree credit course.

MAT 091 Elementary Algebra
3 credits #1018 5:00-8:45 pm TTh M-108 Meisner
Intended for students with little or no previous algebra. Topics include the real number system and operations with real numbers and algebraic expressions, linear equations and inequalities, polynomials, factoring, and introduction to quadratic equations. Note: This class is using the Hawkes program. $85 course fee. Non-degree credit course.

MAT 110 College Algebra
3 credits #1019 5:00-8:30 pm TTh M-117 Kalafut
Definition of function and sequence; linear and nonlinear functions and graphs including logarithmic and exponential functions; systems of linear equations and Gauss-Jordan method; theory of polynomial equations; conic sections and optional topics such as mathematical induction, matrix solution of linear systems and Cramer’s rule. Prereq: A grade of C or better in MAT 103B or MAT 105 or placement based on placement test score. MS

There's a U for YOU!

This schedule is subject to change. Please check the online course schedule at: [http://courseschedules.uwc.edu](http://courseschedules.uwc.edu) to confirm the most up-to-date sessions and offerings.

MAT 105 .................. Introduction to College Algebra
MAT 108 .................. Quantitative Reasoning
MAT 110 .................. College Algebra
MAT 113 .................. Trigonometry
MAT 117 .................. Elementary Statistics
MAT 223 .................. Calculus and Analytical Geometry III
MLG 100 ................. Introduction to Meteorology
MUS 170 ................. Fundamentals of Music
MUS 273 .................. Jazz History and Appreciation
MUS 278 ................. History of Rock and Roll
PHI 237 .................. Technology, Values and Society
PHI 259 .................. Philosophy of Racism
POL 104 .................. American Government and Politics
POL 120 .................. Politics of Crime and Punishment
PSY 201 ................. Introductory Psychology
PSY 210 ................. Statistical Methods in Psychology
PSY 250 ................. Life Span Development Psychology
PSY 309 ................. Abnormal Psychology
REL 101 ................. Introduction to the Study of Religion
SOC 101 ................. Introduction to Sociology
SOC 234 ................. Sociology of Race and Ethnicity
WOM 101 ................. An Introduction to Women’s Studies
WOM 210 ................. Women’s Health & Sexuality in Society

**UW Colleges Online Information**

Everything you need to know regarding UWC Online courses is available at [www.online.uwc.edu](http://www.online.uwc.edu). This resource is updated regularly. It is the student’s responsibility to access this website for specific information including all Online course schedules, deadlines, and payment instructions.

**Online Registration**

**Begins:** March 2, 2015  **Ends:** May 22, 2015

**Semester runs:** May 27 - July 31, 2015

You will register for UWC Online courses through UW Colleges PRISM self-service system just as you would for any on-campus courses. Note: UWC Online has different registration dates and requirements than UWC campuses. Check [www.online.uwc.edu](http://www.online.uwc.edu) for accurate information.

**Tuition & Fees for Online Courses**

UWC Online course tuition, fees, payment requirements, and payment schedules differ from requirements at all other UWC campuses. Online course fees are $238 per credit plus a $25 per credit administrative fee (refundable only through May 22). Tuition and fees are due by the first day of the term, or the end of the second week unless a third party contract has been received, the student has enrolled in the partial payment plan, or has been granted a deferment for financial aid. A $100.00 late fee will be assessed to any student that has not paid, deposited $200 towards the pay plan, or have enough financial aid to cover their balance in full by the due date. Check [www.online.uwc.edu](http://www.online.uwc.edu) for tuition postings and accurate payment information. You will NOT receive an invoice; please follow payment instructions carefully.

Once the semester begins, UWC Online tuition is refundable according to the institution-wide UWC tuition refund policy and calendar.

**Dropping Online Courses**

UWC Online does not have an add period. Once Online registration closes, students may drop but not add. Once the semester begins, UWC Online follows the institution-wide UWC drop policy and calendar. Complete information, including the administrative withdrawal policy, is available at [www.online.uwc.edu](http://www.online.uwc.edu)

**Online Textbooks**

Textbooks should be purchased through NEEBO. To purchase textbooks go directly to the UWC Online Bookstore. UW Colleges is not responsible for textbooks purchased through another vendor.

The required texts and materials for most UW Colleges Online classes will not be available in your campus bookstore. Help Guide to Textbook Purchasing through Neebo.

For questions regarding your order, you can contact Neebo at 1-262-524-1378. To report a problem with your order, please contact UW Colleges Online helpdesk at 1-877-449-1877.
