

## Welcome to The University of Wisconsin Marinette Student Housing!

We have numerous housing options for students within walking distance of campus and near local businesses. These apartments are semi-furnished with most necessities (beds, dressers, couch, full fridge and stove) all that is missing; TV, microwave and personal items.

As a special student intern, we offer an option to pay for lodging on a weekly basis.

A housing deposit of \$200 is due at the time of contract submission to secure a spot. The housing “rent” is due on the Friday of each week by noon in the Business Office (Thursday if the Friday is a holiday).

We understand each internship situation is different; therefore, we can also set up a more flexible payment plan to accommodate your financial situation. You should know that if the payment deadline is not met, you will have 48 hours to vacate the apartment.

Below you will find the different housing options and a price breakdown.

\*\*We will try to go with your first preference; however room rates will depend on how many other students we are able to place in the apartment.

1 Person in a 1 Bedroom Apartment	\$260 per week
2 People in a 2 Bedroom Apartment	\$190 per week

### Dates of Availability

Move-in Day – Any day on or after May 26, 2017

Move-out Day – Any day on or before August 18, 2017

\*It is preferred if the move-in or move-out day is on a week day, but we will work with weekend dates if need be

If you have any questions or inquiries on additional costs, floor plans, roommates and/or amenities feel free to call or e-mail.
